CONGREGATION CHILDREN OF ISRAEL

## Adult Ed: TWO Classes This Year!

Shalom, and Happy New Year!  
It was wonderful being with so many of you in our new Sanctuary as we gathered together for Rosh Hashanah and Yom Kippur. I hope that you feel energized and hopeful for the year ahead.

Speaking of, it's time to start our regularly scheduled Adult Education classes!

Due to the varying schedules of all of our congregants, I have gotten several requests to offer some classes in the evening. With this in mind, there will be two different topics for adults this year. The day class will be on Thursday mornings (on the second Thursday of each month, starting on 11/14), and the evening class will be on Thursday evenings (on the third Thursday of each month, starting 11/21). You are welcome to attend as many (or as few) of these as you would like, as each session will stand on its own.

The theme for the Thursday morning class will be: "Let's Talk About God" Starting with the Torah and then moving to midrash and modern interpretations, we will look at different ways that Judaism (and Jews) have conceived and thought about God.

The theme for the Thursday evening class will be: "Navigating the Talmud" with Rabbi Linder. We will start with an overview of the Talmud, and each class will look at a particular teaching/story/law that comes from a specific page in the Talmud.

—Rabbi Linder

## Mazal Tov Carly Wender & Scott Merkle

**Carly Wender's** research was recently featured in an issue of *Uga Today*. Carly has used Virtual Reality (VR) to show that pain during high-intensity cycling can be decreased with the use of VR. Carly worked with over 90 participants for this study. You can find the article here: <https://news.uga.edu/virtual-reality-reduces-leg-muscle-pain-cycling/>.

**Dr. Scott Merkle's Idea** voted most likely to make a lasting difference. Scott Merkle's idea; "How to restore threatened and endangered trees" was voted "Most Likely to Make a Lasting Difference" at the first annual Forest Innovation Reviews (FIRz). Scott was among ten different presenters during the event held on September 18. Please wish Scott *Mazal Tov*, and for more information on his research, here is a link: <https://www.usendowment.org/dr-scott-merkles-idea-voted-most-likely-to-make-a-lasting-difference/>

## From the President

Dear CCI Congregants, Families, and Friends,

How exciting this past month has been, with the completion of the renovation, the *L'Chadesh* rededication, and the first High Holidays in our new sanctuary! It was great seeing so many of you at the temple over the past month.

I want to say a few words of praise for the Rabbi who ran “the show” so well, and who inspired profound thought with his beautifully crafted sermons. Particularly relevant to me were the ideas he shared about all of us “being a Messiah,” and the fact that, try as we might, religious and moral action can’t be separated from political action – which is not the same as partisan politics. That’s an entirely different matter.

I also want to share again my appreciation for this year’s recipient of the Eric Mendel Award, given to a deserving congregant on Rosh Hashanah, celebrating and honoring the volunteer efforts of

an individual who has gone above and beyond the call in serving our temple community faithfully.

There are many in our congregation who exemplify this spirit and this was never more true than this year during the work that enabled us to finish our beautiful new sanctuary. In that role, and in virtually every other aspect of temple life, one individual universally lauded for his tireless efforts - and equally for his kind and generous heart - is this year’s recipient, Jack Rutan. Whether he’s lugging furniture, fixing the plumbing, serving as board treasurer, or assisting with the BikExodus ride, there is no one who gives more, so gracefully and kindly. I also got to know Jack very well at a recent two-day URJ conference near Chicago earlier this year, and like me, everyone there was immediately taken by Jack’s intelligence, goodness, and kindness. He was indeed a great representative of Congregation Children of Israel.

Thank you once again, Jack, for your dedication and hard work.

By the time you read this we will, I hope, have successfully completed our first-ever BikExodus fundraising ride. That has been another collaborative effort on the part of so many generous volunteers from our congregation.

As of this writing, BikExodus and the Jonny Bike raffle tickets have grossed more than \$7,000 for CCI.

You are all appreciated for Bike raffle and all of your work in sustaining our beloved and new congregational home.

Best regards,  
—Ken Sherman,  
Board President

Our series continues, exploring different aspects of the Jewish experience. Held from 5:35 to 6:25, 15 to 20 minutes of open discussion is included. As the sessions are held during Religious School on selected Wednesdays, parents of religious school students are encouraged to drop off the children and come find us in the lobby. ### BOARD BOOK DRIVE

The drive for Board books for the younger children living at the Athens Homeless Shelter continues. The box for your donations is in the hall near the library. They most need board books that teach colors, numbers, letters and animals. (The books remain at the shelter.)

### BOOK AND A NOSH

On Nov. 17th. at NOON we will discuss *The 100 Most Jewish Foods: A Highly Debatable List*, edited by Alana Newhouse (the author and editor of *Tablet*, the Jewish online magazine.) "It is a list of the most significant foods culturally and historically to the Jewish people, explored deeply with essays, recipes, stories, and context... The entire list is up for debate, which is what makes this book so much fun. Many of the foods are delicious (such as babka and shakshuka). Others make us wonder how they've survived as long as they have. We will once again enjoy a potluck lunch, but this time with the twist that your contribution must be from or inspired by this book. We will meet at the marvelous home of Barbet Houser; please RSVP by emailing her at [barbettehh@gmail.com](mailto:barbettehh@gmail.com).

### HELP MILLY THE MITZVAH MOP!

The Athens Area Homeless Shelter really needs cleaning supplies for families moving into their first-time homes.

Please bring your donations in a bucket and deliver to the temple whenever it is open—ask Cyndee in the main office to tell you where the appropriate place is to store these items (away from our attractive new lobby areas!). If you have questions about Sisterhood's initiatives to serve the shelter, please email Sisterhood Board member rusti klein at: [rusti.klein@gmail.com](mailto:rusti.klein@gmail.com).

## PJ Library Families

October was a busy month for the Athens PJ Library Program. Several families attended a Shabbat hike at the UGA Botanical Gardens, led by PJ parent, CCI member, and outdoor adventurer, Dr. Melanie Reber. After the hike and a snack, the kids got to play in the new Alice H. Richards Children's Garden. On Sunday October 13, UGA Hillel invited us to help decorate their sukkah and to enjoy sundaes in the sukkah—delicious and fun. Our biggest event this month was a pizza-in-the-sukkah-party in conjunction with the CCI Religious School which was attended by about 70 people.

We are appreciative of a generous grant from the Harold Grinspoon Foundation as well as donations from CCI Sisterhood, the Rabbi's fund, and individual donors who support many of our wonderful programs. PJ Library is open to children with a Jewish parent or grandparent from birth to age 9. ([www.pjlibrary.org](http://www.pjlibrary.org)) PJ Our Way is open to those who are ages 9-12 ([www.pjourway.org](http://www.pjourway.org)). Each month participants receive a book/cd in the mail at no charge. These mailings are underwritten by grants from the Grinspoon Foundation, Etra Foundation, the Alliance Foundation, and local donors. With much appreciation,

—Marilyn Gootman
